## Welcome Summer Interns!

Carroll County FCA  
June 2016 Newsletter

### Why are you interning with FCA?

I have felt led in the last year to pursue a role in student ministry. FCA is near and dear and I want to do what I can to further its ministry while getting a feel for what student ministry could look like in the future.

### What do you look forward to most during your internship?

I'm really excited to spend time at Kutztown and NorthBay pouring into the students and helping to grow their faith while also developing my own.

### What is your favorite bible verse?

Jeremiah 29:11 - "For I know the plans I have for you" declares the Lord, "plans to prosper you and not to harm you, plans to give you a hope and a future."

### What has God been teaching you lately?

To pray, and pray, and pray some more. Lately God has been working hard in my life, and I've seen first and foremost that prayer has been the big game changer in all the change I've gone through over the last few months.

### List your sports experience.

I threw indoor and outdoor Track and Field for Winters Mill High School.

## Luke Ridgely

## Scott Guyn

### Why are you interning with FCA?

I am interning for FCA because I would like to give back to the community that helped me become who I am today.

### What do you look forward to most during your internship?

I most look forward to meeting all the wonderful people in Carroll County and to hear their stories about faith.

### What is your favorite bible verse?

My favorite bible verse is Psalm 91:5-7. "You will not fear the terror of night, nor the arrow that flies by day, nor the pestilence that stalks in the darkness, nor the plague that destroys at midday. A thousand may fall at your side, ten thousand at your right hand, but it will not come near you."

### What has God been teaching you lately?

God has taught me that though I may be limited from fast-paced movement due to my hamstring, I have been forced to step slower and more carefully so that I will see the world from a different perspective. He has taught me that I must appreciate the more simple things in life and that I cannot blindly run through life without looking around me.

### List your sports experience.

I played football in high school from freshman through the varsity level. I also played one season of JV and three Varsity years of lacrosse at Westminster. I currently play for the Wheeling Jesuit University's Lacrosse team and have started for two years.
